

# **Emerald SF**

Emerald SF is a concentrated, non-toxic, non-flammable, low odor, and biodegradable aqueous cleaner and degreaser. It has a mildly alkaline pH of less than 11. In addition, it contains no troublesome compounds such as caustics, silicates, or phosphates. Nor does it contain metal ion sequestering or chelating agents.

Emerald SF is a general-purpose heavy-duty detergent that may be used in various janitorial, institutional, and industrial cleaning applications. A scent free product is especially valued for use in plants where foods or polymers are prone to odor absorption and retention or where individuals are odor sensitive.

## **Applications**

- Floor scrubbing and general plant cleaning
- Machinery cleaning
- Parts washers
- Manufacturing equipment cleaning
- Transport cleaning
- Immersion parts cleaning

Make up (some applications)

#### <u>Up to 10:1</u>

- Heavy-duty floor cleaning
- Parts washing systems
